THE SARL National Field Day On 8 And 9 February

The first leg of the National Field Day takes place from 10:00 UTC on Saturday 8 February to 10:00 UTC on Sunday 9 February 2020 with Phone, CW and Digital (PSK, FT8 and RTTY) activity on the HF amateur bands, excluding the 2 200, 630, 30, 17 and 12 metre bands.

There are 6 classes of participation to choose from, ranging from a station at home to a station outdoors. The Hibiscus ARC will be operating from a nature reserve, ZS/FF-0462. Equipment for Field Stations may only be set up in the 24 hours prior to the starting time of the contest. This restriction applies to antennas, masts, towers and transmitting equipment, but excludes accommodation such as a caravan, tent, etc.

The exchange is the number of transmitters, the Field Day operating class and the Provincial abbreviation. The sending of a RS or RST is optional - it has nothing to do with the scoring. Each contact with a station from one of the South African provinces counts five points and each DX contact counts one point. There are power, provincial, and class multipliers for the scoring.

Logs in ADIF, Cabrillo or MS Excel format with a summary sheet labelled "your call sign NFD," shall be sent by e-mail to contest@sarl.org.za. The closing date for log submissions is 17 February 2020. A photo(s) of the station in operation (JPG format) MUST accompany every log entry. The full set of rules can be found on page 37 of the 2020 Contest manual.
